ZARA MURADALI

Zara Muradali is a strategic advisor to innovators across pharma, biotech, medtech and health tech, helping turn breakthrough ideas into scalable, investor-ready businesses. As a former national managing partner for Life Sciences at Grant Thornton LLP and a longtime Big 4 leader, Zara built and lead integrated audit, tax and advisory teams that drove revenue growth and strategic partnerships. With over 30 years of experience in public accounting and life sciences, Zara has launched and grown life sciences businesses at Deloitte, EY, KPMG, and Grant Thornton; and guided companies from early-stage growth through IPOs, mergers, and major partnerships. Zara is also passionate about mentorship and expanding opportunity within STEM and healthcare spaces.

She is recognized as a Healthcare Businesswomen's Association Luminary and MassMEDIC board member.

COLLEEN NGUYEN

Colleen M. Nguyen, MPH is the Executive Director of Asian Women for Health (AWFH) and a Doctor of Public Health candidate at Tulane University. With nearly 20 years of experience in public health, community engagement, and health equity, she has led initiatives spanning cancer, infectious diseases, and mental health. The daughter of Vietnamese refugees and a lifelong community organizer, Colleen brings both lived experience and professional expertise to her work. At AWFH, she leads community-driven programs in culturally responsive health education, workforce development, and community-engaged research.
